**Location: Harrodsburg-Conover Education Center**

**Building: Commonwealth Credit Union Center for Health Sciences**

**Room: 116**

Dr. Davenport is a DNP in nursing administration and leadership and MS in nursing graduate of Creighton University. Having completed a BS in nursing from University of Nebraska at Kearney and a practical nursing diploma from Central Technical Community College. She is certified in nursing executive, advanced from the American Nurses Credentialing Center and has used her years of leadership experience to inspire nurses to grow and flourish in the profession of nursing. She has taught nursing leadership, nursing identity, and community/population health nursing as an adjunct instructor. This followed her retirement from nursing practice during which she worked as a staff and charge nurse, staff development educator, and nursing executive and healthcare system chief operating and executive officer.

Dr. Davenport is involved with many professional organizations including the Kentucky Organization of Nurse Leaders board of directors and American Organization for Nursing Leadership committees. She is also a member of the Delta Psi Chapter of SIGMA, the Kentucky Nurses Association and the Kentucky League for Nursing. Dr. Davenport has participated on several boards and advisory groups, including her present vice chair role on the Danville/Boyle County Planning and Zoning Commission.
